Walk and Talk with Jesus: The Power of Prayer

Pastor Neri recently shared a powerful message about the story of Jesus raising Lazarus from the dead. In this amazing moment, Jesus prayed to God, saying, "Father, I thank you that you always hear me. But because of these people who are standing by I say this: may they believe that you sent me. Lazarus, come forth!" Pastor Neri pointed out that this story teaches us that God answers prayers. He then shared his own experience with his wife's sister, Martha. Right before she was supposed to visit, she fell and fractured her foot. When she got to the hospital, the doctors told her she could not walk for six weeks. Pastor Neri felt God telling him to pray for Martha. At first, he was unsure, but he decided to go for it. He asked Martha if she believed God could heal her, and she said yes. So, Pastor Neri prayed just like Jesus did for Lazarus.

In an incredible moment right after he finished praying, Martha stood up and exclaimed, "My foot doesn't hurt anymore!" This experience showed Pastor Neri, and all of us, that when we pray for each other, God really does answer. Through this story, Pastor Neri reminds us to have faith in the power of prayer and to support one another, knowing that God is always listening.
